DIRECTIONS (see map)

From Interstate 5, take the Harbor Drive exit west. Harbor Drive will take you directly to the entrance of the Harbor.

PARKING (see map)

Free parking is available a short distance away from the race site. To reach free parking, take the first left after entering Harbor Drive (under the railroad bridge, across from Joe's Crab Shack). Oceanside Outrigger provides free shuttle service to and from the parking lot.

CANOE & BOAT TRAILERS (see map)

Canoe trailer parking is \$15.00 and is located at the race site. Spots for trailer parking will be reserved by Oceanside Outrigger members until 6:30 am. (After 6:30, spots are released to the public.) Please have your canoe trailers at the Harbor before 6:30 am.

Canoes are to be rigged on the beach and launched from the South and Middle boat ramps only. Proceed to Launch ramp when all 6 paddlers are ready to immediately paddle away.

Please bring your carts.

Because the Oceanside boat ramp can be very busy on a summer morning, we ask that canoes get rigged early and placed on the water as soon as possible to facilitate the start of the races. You will be able to catch up with your escort boat and set your starting crew in the mouth of the harbor.

NO beach launching allowed.

Registration (see map)

Race registration is located on the beach across from the boat launch ramp (see map).

Escort boats

Docks are reserved for Friday & Saturday for your convenience.

NOTE: Please treat your escort boat drivers well. They are donating their time to help make this outrigger canoe event a success.
